## EDUCATION

---

**Master of Arts – Educational Innovation, Technology & Entrepreneurship** | UNC Chapel Hill *Aug 2025 – May 2026*  
*Concentration: Instructional Design (Learning Engineer Track)*

**Bachelor of Arts – Human Development and Family Sciences** | UNC Chapel Hill *Aug 2021 – Jul 2025*  
*Concentration: Family Life Education | Minor: History | Dean's List: Fall 2023, Fall 2024*

## PROFESSIONAL EXPERIENCE

---

**Graduate Research Assistant** | Mathematics Potential Lab – UNC Chapel Hill *Nov 2025 – Present*

- Served as a trusted advisor to K–6 teachers, conducting interviews and delivering actionable recommendations for adopting research-backed math resources aligned to WWC standards
- Synthesized findings on fraction concept instruction into accessible educator-facing materials, bridging research and classroom implementation
- Mentored and supervised undergraduate researchers while collaborating with doctoral and post-doctoral teams to ensure instructional fidelity and evidence-based outcomes

**Intern** | North Carolina Esports Academy *Aug 2025 – Present*

- Managed a multi-project workload spanning AI research, content production, website development, and intern supervision in a fast-paced startup environment
- Supervised two undergraduate interns, guiding development of STEM lesson plans and providing ongoing coaching to support their growth
- Produced digestible AI content (video shorts) to support organizational adoption of new technologies, demonstrating strong communication and changing facilitation skills

**Student Teacher** | Carrboro Elementary School *Jan 2025 – May 2025*

- Completed 335-hour practicum supporting third-grade instruction, including differentiated support for Exceptional Children (EC) students
- Conducted a semester-long action research project on student anxiety management, collecting and interpreting classroom data to inform instructional strategy
- Built collaborative relationships with mentor teacher and staff, participating in meetings, leading lessons, and supporting a positive school culture

**Youth Counselor** | Chapel Hill-Carrboro YMCA *Sep 2024 – Apr 2025*

- Provided academic support and supervision for K–5 students in an after-school setting, facilitating both structured learning and independent work time
- Coordinated with classroom teachers to align tutoring support with school-day instruction, ensuring continuity for students

## RELEVANT SKILLS & CERTIFICATIONS

---
